

EXHIBIT A-8

TAB D

Athlete

Joe Smith

S002000009

I certify that:

1. I provided this specimen under direct observation;
2. I had the opportunity to select a sealed cup and kit;
3. I removed the cup from the sealed plastic wrap, and it was within my control until I closed it and handed it to the collector;
4. My specimen was divided and sealed in my presence, and initialed by me;
5. The specimen number entered on the device corresponds to the number on the security seals, and;
6. I understand that I may select the disagree button and describe any issues I believe occurred during this collection.
